50X1-HUM

2. The Luftnachrichten Kaserne on Edelweisstrasse, Bernau, was occupied by a rear detail in late June 1950. No training activities were observed. Truck [] was seen entering the installation.

50X1-HUM

3. In late June 1950 the pigeon loft on the northern perimeter of Bernau was lightly occupied by about 150 troops, seemingly recruits, who wore red-bordered black epaulets. Trucks [] were parked in the yard of the installation.

50X1-HUM

4. Trucks [] all loaded with boxes of one cubic meter, were parked in the ration supply depot on Heinersdorferstrasse, Bernau, in late June 1950. []

50X1-HUM

5. All but seven Soviet officers and all but five Soviet soldiers left the former Bergmann Factory during the period of observation in early June 1950. [] the officers and soldiers had been ordered to participate in field exercises conducted on the Elbe River. ***

*** Comment. It has been assumed that repair shop [redacted] of the
GOFU was located in the Bergmann Factory. It is doubted that the repair
shop was transferred to the area of the Elbe River.
